CORPORATE OPTIMUM CARD

Key Benefits of the Optimum Plan

The Swiss Medical Optimum Card provides your employees with access to a wide range of private healthcare services. With coordinated specialist care and diagnostic services, it supports the investigation and treatment of health concerns while strengthening your commitment to employee wellbeing through a valuable benefit that employees can rely on in their everyday lives.

Key Benefits of the Optimum Plan

Unlimited Outpatient Specialist Care: Specialist consultations included in the plan are available without a limit on the number of visits.
No Out-of-Pocket Costs: Employees do not have to pay separately for covered services.
Coverage for Pre-existing Conditions: Investigation and treatment of pre-existing conditions are included in the basic plan.
Nationwide Coverage: Our own medical centres in Budapest and an extensive partner network throughout Hungary.

Comprehensive Healthcare in One Plan

- Specialist Care: Consultations and examinations across a wide range of medical specialties.
- Laboratory Diagnostics: 226 laboratory test parameters.
- Imaging Diagnostics: Ultrasound, X-ray, MRI, CT and PET-CT.
- Instrumental Diagnostics: Including endoscopic and cardiological examinations.
- Minor Outpatient Surgery: Minor surgical procedures performed under local anaesthesia.

Important Information

Age limit: 18–69 years. Outpatient care is available in the event of symptoms, illness or suspected illness. Certain specialist services require a prior specialist consultation, while diagnostic examinations and minor outpatient surgical procedures require a specialist's recommendation.

Customisable to Meet Your Company's Needs

The Optimum basic plan can be enhanced with additional services tailored to your company's needs, including:

- Health screening packages
- Day surgery
- Inpatient hospital care
- On-call medical services
- Dental treatments

Additional services are available for a separate fee and can be contracted on a group basis, each with its own service limits and terms and conditions.

A Flexible Employee Benefit Solution

Healthcare packages with different levels of coverage can be tailored to specific employee groups to meet your company's needs.
The day surgery and multi-day hospital care add-on packages do not cover pre-existing conditions.
