SILVER PACKAGE

Silver Card – Reliable and High-Quality Medical Care

The Silver Card is the ideal choice for those seeking dependable and high-quality healthcare. As part of basic care, we provide personalized General Practitioner (GP) services, an annual specialist screening, and emergency home visit availability in Budapest.

Annual Service Fee: **86,000 HUF / person / year**

PACKAGE CONTENTS

Emergency visit, internal medicine & hotline

✓ Annual Care Elements

- **1 emergency home visit:** If your condition prevents you from visiting our clinic, our medical team will perform an examination at your home in Budapest on any day of the year, if medically necessary.
- **1 internal medicine specialist exam:** Regular screening is the foundation of health preservation. Once a year, we provide an internal medicine consultation at Swiss Premium Health Centers in a modern environment with outstanding professional background.

✓ Medical Support & Advice

- **24/7 Hotline & Counseling:** Telephone assistance available 24 hours a day (+36 30 992 0387).
- **Swiss Premium specialist background:** All further examinations are accessible in a premium medical environment.
- **Reliable patient pathway management:** A prepared medical team and professional coordination.

SWISS GP PRACTICE **1131 Budapest, Ipoly utca 8.**

Unlimited GP services included in the package: medical examinations, on-site blood drawing, ECG, official sick leave administration, laboratory tests, prescription writing with enhanced subsidies, referrals for state-funded diagnostic tests, tele-consultation and tele-prescriptions, annual flu vaccination (including vaccine), driving/sailing license medical renewals, and firearms license medical exams.

EXCLUSIVE PARTNER DISCOUNTS

At Swiss Premium Centers & Webshop

- **10% partner discount:** On most examinations at Swiss Premium Health Centers.
- **15% discount:** On most diagnostic tests available in the Swiss Webshop.
- **10% beyond package limits:** On specialist examinations not included in the package and additional emergency home visits.
- **10% on series treatments:** Dietetics, psychiatry, psychology.
- **10% on non-state-funded tests:** Vaccinations (vaccine price to be paid); special labs (hormones, tumor markers, serology, drug levels, toxicology, cardiac, HTCA, diabetes, thyroid, D-dimer, bone, allergy, special urine); most instrumental diagnostic procedures and minor surgeries.

EMERGENCY NOTICE: If the severity of your complaint requires immediate care, call the ambulance immediately at **112** or **104**! Central medical on-call service: **1830**. Cards are personalized and non-transferable. Direct family members may use our services with a Partner discount. We reserve the right to make changes.
